In the reference 10th read above, the Controller of Legal Metrology has stated that withdrawal of transfer orders is not possible since consequence vacancies have been filled up later on by promotion. 5. It is observed that the seven transfers which have been done by the Controller of Legal Metrology, in violation of the ban orders are not in public interest. Such irregular actions should not ordinarily be ratified. However since these transfers have been done in 2010 and since a practical view has to be taken to bring finality to this pending matter, the action to be ratified SUBJECT to the condition that the explanation of the officer who has violated the Government orders is called for in the first instance and further disciplinary action taken as per rules after examining his representation.

6. Government after careful consideration, hereby ratify the action taken by the Controller of Legal Metrology in having transferred the following officers during "the ban on transfers" period subject to the condition referred in para (5) above.
